

Escalator Cleaning Frequency Guide

Traffic	Location	Recommendation
High	Airports & Subways	Daily
Medium	Shopping Malls & Casinos	Bi-weekly (twice a week)
Low	Hotels & Office buildings	Weekly

Did You Know?

Escalators are the most expensive, most visible, most trafficked and often most dangerous flooring in your facility. And, they can accumulate an oily residue on their standing surface under normal operation if not cleaned frequently.

Clean your escalators in minutes, not hours with EscaTEQ
